SVA Career Development and **SVA Theatre** present **Chris Stein** (Fine Arts 1973), a founding member of the

era defining band Blondie, and Blondie lead singer **Debbie Harry**, who will discuss Stein's new book of photographs, ***Point of View: Me, New York City, and the Punk Scene***. Multidisciplinary artist and director **Rob Roth** will moderate. Following the discussion, Stein will sign copies of his book, which will be available for purchase. **RSVP here**. The event will livestream **here**.

During Blondie's reign at the epicenter of punk's golden age, Chris Stein kept an unrivaled photographic record of the downtown New York City scene. *Point of View* is a personal and visually arresting collection of Stein's photographs which captures an important but fading chapter in Manhattan's history. Focusing mainly on a single decade in Stein's own world, the images presented take us from self-portraits in his run-down East Village apartment to candid photographs of pop cultural icons of the time, like Harry, and evocative shots of New York City streetscapes in all their most longed-for romance and dereliction.
